Message / Foreword by Head of Organisation

Dear Members and Friends,

It is with great pride that I present the Annual Report of the Human Rights Protection Forum (HRPF) Pakistan for the year 2024-2025. Our team, volunteers, and partners have continued to serve marginalized communities across Sindh through legal aid, awareness campaigns, and empowerment initiatives. Together, we are creating pathways to justice, dignity, and equal opportunity for all.

– Mahboob Ali Chang, Chairman, HRPF Pakistan

Organisational Introduction / Profile

HRPF Pakistan started its voluntarily journey from a launched a campaign against human rights violations in Pakistan. This campaign initiated by a group of devoted young and energetic social activists of across the Sindh Pakistan. The forum was working since 2001 with participatory approach with civil society organizations, print & electronic media, legal activists, students and other segment of society. The forum volunteers decided and undertook efforts to register it under society's Act 1860 in January 28, 2019 with Registration No: **SK/1927 of 2018-2019**.

The volunteers of this forum have delivered their voluntary services and time to gather people and mobilize them to work for the development of area from the platform of "Human Rights Protection Forum Pakistan" and were, succeed to motivate the people who helped to start charity activities in the same year.

In the starting days, **HRPF** worked as charity organization, **HRPF** members got some training organized by some NGOs working on District level. This provides the opportunity to the organization for strategic shift from charity to development approach. Now we are at the stage to adopt right based approach in development.

HRPFwith support of philanthropists including local bodies, district administration, NGOs and media representatives organized various seminars, rallies, awareness walk, distributed food and nonfood items (NFIs) winterization kit among poor families without any discrimination at any stage. Several organizations in the beginning helped in its institutional development as well as development of program.

HRPF started its activities from Social mobilization to the empowerment of rural communities, protections of their rights and provide them basic services and facilities from Government & other stack holders. It then started surveys, training to community activists, advocacy for development rights and ending violence against women, natural resources management, health, education, human rights and empowerment of all other marginalized sections of the society.
